A MESSAGE FROM THE HEART

"To laugh often and much; to win the respect of intelligent people and the affection of children; To earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a Garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded."

Ralph Waldo Emerson
